

NEIGHBORHOOD PRIDE PROGRAM
REQUEST FOR NEIGHBORHOOD PRIDE

Dear Neighborhood Leader,

Thank you for your interest in the Neighborhood Pride Program. Please complete the below form to request the Neighborhood Pride Program for your neighborhood.

Neighborhood Pride's success depends on the active involvement of neighborhood groups and other residents. Roles for neighborhood groups and other residents include:

1. Residents distribute Neighborhood Pride informational literature to all residences in the Pride District no later than nine days before the first day of Pride Week.
2. Neighborhood groups allow the Neighborhood Pride Program staff and other City staff to make presentations about the Pride Program at the neighborhood organization's meetings in prior to Neighborhood Pride Week.
3. Several representatives of the neighborhood group participate with City staff in a Pride Bus Tour of the Pride District six weeks before Pride Week.
4. Neighborhood organization members talk with their neighbors about the benefits of the Pride Program in weeks and months before Pride Week.

This request will place the below area on a list of neighborhoods to be considered for Neighborhood Pride in the future. It does not guarantee your neighborhood will be included in the next year's Neighborhood Pride schedule.
